Communities Who Have Adopted the Building Code

Disclaimer

The following chart lists those communities that have adopted the West Virginia State Building Code as of February 9, 2017. This list is intended only to provide a snapshot of the number of communities who have adopted the State Building Code, the version of the Code adopted, as well as whether the community has adopted the full Code or only the International Property Maintenance Code. This list was provided by the Licensing Department of the West Virginia State Fire Marshal's Office. Along with other external documents referenced in the toolkit, we cannot guarantee the accuracy or completeness of information on this chart. Readers should not act on the information contained on this chart independently.
